ELECTRONICS AND COMMUNICATION ENGINEERING

CONTACT :-9852124565

EMAIL :- [srijalshiwani123@gmail.com](mailto:srijalshiwani123@gmail.com)

## INTERNSHIP AND TRAINING

- CSIR-Central Mechanical Engineering Research Institute (01.07.2022 – 15.07.2022) Skill development programme on HANDS - ON TRAINING ON ROBOT BUILDING
- DURGAPUR STEEL PLAN (18.02.2020 – 29.02.2020)  
Introduced with working of Steel plant

## PROJECTS

- SENTIMENT ANALYSIS ON LIVE STREAMING TWITTER DATA USING NLP:-
  - The purpose of this project is to conduct a sentiment analysis of Twitter data related to the determine the riot of any area using natural language processing techniques.
- IOT BASED PATIENT HEALTH MONITORING SYSTEM :-
  - It is an arduino based system used to measure the pulse and temperature of human body and allow users to see the real-time data all around the world.

## ACHIVEMENTS

- Awarded with third position on college level science exhibition.
- <https://www.myamcat.com/certificate/24912361/engineering-trainee---electronics-and-semiconductor-engineering/176>
- <https://www.myamcat.com/certificate/24912361/in-english-comprehension/283>

## STRENGTH

- LEADERSHIP
- TIME MANAGEMENT

## EDUCATION

YEAR	DEGREE	INSTITUTE
2023	B.TECH	DR. B.C. ROY ENGINEERING COLLEGE,

		DURGAPUR
2019	AISSCE	SHUSHANT PUBLIC SCHOOL
2017	AISSE	PRABHAT TARA SCHOOL

## **SKILLS AND EXPERTISE**

- Having problem-solving abilities and ability to think on my feet in a dynamic working environment.
- Effective communication and collaboration skills.
- Basics programming
- MS Word
- MS excel
- PPT Making

## **Extracurricular Activities**

- Karate: Achieved black belt in karate demonstrated discipline ,focus, and dedication.
- NCC: Participated in NCC training and achieved NCC Certificates .Developed leadership skills through training and leading a team.
